FRONT ROW

AT THE EDGE, NATURALLY

Introducing Beaumont by Polygon; Contemporary Mountain-inspired townhomes on the forested slopes of Burke Mountain.

Beaumont's inviting modern architecture creates a blank canvas for sophisticated living, where community trails and forest surroundings bring quiet simplicity to everyday life.

RICH IN NATURE

MODERN FORM, NATURAL SETTING

Refined architecture defines Beaumont, where sharp lines and modern materials break up the green forest it borders. Here, balanced lifestyles are elevated by thoughtful touches that blend outdoor living with indoor comfort.
